

ILLUMINO 10

Illumino 10 with its clean, simple and slick design is a 100% proudly made-in-Italy product. Compact, high quality materials and finish, make it a perfectly suited lighting device for brightening-up the scene in museums, art galleries boutiques and shops, but also to give a great touch of class to cinemas, theatres, hotels venues and modern office spaces. Its aluminium bracket allows free rotations and inclinations, both along the horizontal and vertical axes, respectively of 320° and 340°. The rail connector, act as a mechanical support and as main power socket. Its small and embedded power supply is fully contained in the compact cylindrical body designed to deliver in any condition maximum life of the LED's COB. Product's warranty is 3 years.

Power Supply:

- Internal Power Supply Voltage 230 Vac
- Dimming
- Power Consumption 15W – PF=0,95

Power requirement:

- 11,5 W

Source:

- LED COB Cree
- CRI > 80
- Life > 50000 h (LM90), *as per LEDs manufacturer specifications

Colour Temperature:

- 2700 – 3000 – 4000 – 5000°K

Beam Angle:

- 12 – 24 – 36°

Mechanical:

- Aluminium body
- Horizontal Axis Rotation 320°
- Vertical Axis Rotation 340°

Body finish:

- White RAL9003
- Other colours available on request
